*A rich and colourful show inspired by Shakespeare's **The Tempest**, **Wave** explores the relationship between a parent and their child as they reach adulthood and leave home...*

Performed for small audiences in a purpose-built theatre, and featuring **live music, singing and digital projection**, this play offers a unique experience rich in action, colour, sound, touch and emotion.

A vibrant multi-sensory play for young people (11 - 26 years) with autism, PMLD or SLD and their companions.
